**FOR IMMEDIATE RELEASE**

## **Pushing Boundaries Success Beyond Paralysis Luncheon set for May 13th**

[Pushing Boundaries](#), Washington State's only non-medical facility focused on exercised based recovery therapy for individuals with paralysis due to neurological conditions, will be holding its 7<sup>th</sup> Annual [Success Beyond Paralysis](#) fundraising luncheon on May 13 at the [Mercer Island Community & Event Center](#).

Check in begins at 11:30 am and the program runs from noon to 1:00 p.m.

During the program, clients and families who have regained function and independence as a result of the rehabilitative therapy they received will share their stories. This luncheon serves as the primary fundraising event for Pushing Boundaries and funds raised are critical in directly offsetting the out of pocket costs clients face to recover after a life altering injury.

If you are interested in participating in this event or you would like to learn how you can help change lives, please contact Pushing Boundaries at 425-869-9506 or [info@pushing-boundaries.org](mailto:info@pushing-boundaries.org)
